

Need a little help when it comes to blogging and Facebooking? BPI is here for you!

HERE ARE SOME IDEAS TO INSPIRE YOUR NEXT BLOG POST OR FACEBOOK POST:

BLOG

Summer is officially over, which means that all of the summer movie hits have come out! Write a blog post on which of the summer movies you liked best and why. (And maybe which movie you liked least as well!)

We're always told that it's important to drink water every day. What are the dental health benefits to drinking water? Educate your readers!

Not everyone knows that dentists can provide treatment for snoring. Share with your readers what causes snoring and how it can be effectively treated by a dentist.

FACEBOOK

September is almost over! Finish Self Improvement Month strong by making sure to post your advice and tips regularly.

Share the beauty of autumn with your Facebook followers! Post a photo of the changing colors of the leaves, the autumn and Halloween decorations, and more.

Now go out there and post! If you have any questions about setting up your Facebook or your blog, [contact BPI today by emailing seo@bpihelpdesk.com](mailto:seo@bpihelpdesk.com).
